

SWING OUT GRILL SECTION INSTALLATION INSTRUCTIONS

1. Assemble grill as usual, leaving out 4 poles in desired location of swing out section.
2. Snap in 8 each plug buttons in empty holes.
3. Mount bottom hinge plate onto wood, in position to align poles in the swinging section with the empty holes
4. Slide swinging section onto bottom hinge plate, then install top hinge plate and mount to wood so that all bars are vertical.
5. To latch open, hook latch around grill bar when section is full-open.
